Note: To maintain entries and modifications, select the "Save" button at the top of the screen. If you attempt to navigate away from a screen containing unsaved changes, a warning message will display asking whether you would like to return to the screen and save your modifications before proceeding.

7. To edit or view an entry, click any entry row on the summary screen. If you select a specific field, the editor will open with the field in focus.

Note: Your Faculty Success Administrator may have added an entry to the system on your behalf. These entries can be viewed, but cannot be edited or deleted. A lock icon identifies this entry. If revisions are needed to the entry which has been entered on your behalf, contact Eric Loomis or Sangela King using the contact information below.

8. To copy an entry, select the appropriate check box, then select the "Duplicate" button.

9. To delete an entry, select the lined item and click the trashcan icon.

10. To **import** publication references in bulk from sources such as Google Scholar
 - a. Enter the Intellectual Contributions screen

- b. Select the "Import" button on the upper right:

- c. Click the “?” icon next to “Import from a BibTeX file”:

The instructions will explain how to export your publications as a BibTeX file from an online database such as Google Scholar, and then import them into Watermark. This can greatly reduce the need to manually enter your publications.

2. To **merge** entries considered duplicates, select the checkbox for each duplicate entry and select the "Compare" button. The [Compare and Merge](#) feature enables users to resolve duplicates.

III. Running A Watermark Report

1. After entering your data, you can select the “A&S Faculty Activity Report” from the “Reports” menu:

2. Before running the report, you must the appropriate date range for the calendar terms (i.e., 2025-2026 should reflect dates from 5/1/2025 to 4/30/2026, 2026-2027 would reflect dates from 5/1/2026 to 4/30/2027, etc.).

A screenshot of a form titled 'Run A & S Faculty Activity Report'. It includes a link 'Download this report's template'. The form has a section '1 Date Range' with two date pickers. The 'Start Date' is set to '5/1/2025' and the 'End Date' is set to '4/30/2026'. Each date picker has a calendar icon to its right.

3. Select Microsoft Word (.doc) as the File Format (this is the default) and run the report:

A screenshot of a settings panel. It has a section '3 File Format' with a dropdown menu set to 'Microsoft Word (.doc)'. Below this is a note: 'Changes made to the Microsoft Word document will not be reflected in the system.' At the bottom, there is a 'Page Size' dropdown menu set to 'Letter'.

Note: after you run the report as a Word file, you can make light edits to the report formatting in Word before saving for submission.

IV. Using the A&S Faculty Activity Report Template

1. Faculty with questions regarding how to get an item to appear at a particular point in the report can download the report template from the report page or click [here](#):

2. The report template will download as an MS Word document to the desktop. The template will allow faculty to see which screens and fields (in blue) are needed to get an item to appear at a particular location.

For instance:

d. Graduate or Undergraduate Certificate Programs (may include administrative assignments)

This template example indicates how an item can appear under the heading.

- a. The user should go to the Administrative Assignments screen:
