

DEPARTMENT CHAIR

Department of Mathematics and Statistics:

The Department of Mathematics and Statistics at the University of South Alabama invites applications for the position of Department Chair. The Department seeks a dynamic leader who will be responsible for the academic, personnel, financial, and administrative needs of the Department. The successful candidate must have a Ph.D. in Mathematics or Statistics and must hold the rank of Associate Professor or Full Professor at a comparable institution. Research and teaching specialization are open. The successful candidate will have a strong research record, a commitment to teaching excellence, and demonstrated administrative experience. The Department Chair is a twelve-month position and reports to the Dean of the College of Arts & Sciences. The position is expected to begin by August 15, 2027, but the exact start date is open to negotiation.

The Department of Mathematics and Statistics offers both undergraduate and graduate programs, with Bachelor of Science degrees in Mathematics, Statistics, Data Science, and Masters of Science degrees in Mathematics and Applied Statistics. The department has a diverse group of faculty across a broad range of mathematical and statistical fields. The successful candidate should be able to interact with both mathematicians and statisticians across a wide range of subjects.

More information can be found here:

<https://www.southalabama.edu/colleges/artsandsci/mathstat/>

Applications should be submitted online at www.mathjobs.org, and should include a cover letter, curriculum vitae, research statement, teaching statement, a statement outlining administrative experience and vision, and three letters of recommendation (at least one of which should specifically address teaching). We cannot accept applications submitted directly to department faculty.

Before an official letter of offer is issued, the university must receive signed letters of recommendation and all official transcripts must be sent directly to the department from the Registrars of all colleges and/or universities attended.

Review of applications will begin on November 4, 2026. Applications will be reviewed on a rolling basis until the position is filled.
